

## **SCHOOL-COMMUNITY RELATIONS - Series 1000**

### **1004 Community Activities Involving Students**

#### **1004.1 Public Performances by Students**

The Board of Education recognizes that student participation in civic and community affairs is educationally beneficial to students. Therefore, the Board encourages student participation at public performances, provided such performances contribute to the educational processes and objectives of the school, and provided they do not unduly interfere with the students' program.

The following guidelines apply:

- (1) All performances shall be approved by the immediate administrator;
- (2) The extended use of one particular group should be discouraged;
- (3) Extensive travel by any one particular group should be discouraged.
