SCHOOL-COAMUNITY RELATIONS - Series 1000

1004 Community Activities Involving Students

1004.3 Sales Promotions Prohibited

Educational facilities, teachers and students shall not be used in any manner for the promotion or sale of services or products offered by agencies or organizations that operate for profit. The Board of Education specifically forbids the following:

Distribution by students of pamphlets urging students, parents and others to purchase services or products sold for profit;

Sale by students or teachers of products or services, except in relation to production by students as part of the program;

Similar activities that would involve teachers' and/or students' time and interfere with the normal schedules and activities of the school.

Specifically exempted from the provisions of this policy shall be a student insurance program, senior pictures, class rings, tax, etc.

When the superintendent of schools feels that the educational gain outweighs any promotional purpose, prior approval for an activity may be granted by the Board.
