

STUDENTS - Series 500

504 Student Health and Safety Regulations

504.1A Student Special Health Services

The board recognizes that some special education students need special health services during the school day. These students shall receive special health services in conjunction with their individualized education program.

The superintendent, in conjunction with licensed health personnel, shall establish administrative regulations for the implementation of this policy.

Adoption Date: January 15, 2001
