

EDUCATIONAL PROGRAM - Series 600

600 Statement of Guiding Principles for the Educational Program

The Board of Education recognizes its obligation, fiscal responsibility and duty to provide an educational program equally available to all young people of the school district. The Board of Education believes that all children should have the opportunity to be educated to the full extent of their abilities, aptitudes and interests through a program that recognizes and provides for the individual needs of each child. Innovation and change - based upon thorough research, study, deliberation and evaluation - shall be encouraged.
