

EDUCATIONAL PROGRAM - Series 600

601 General Organization

601.3 School Day

The student school day of instructional time shall consist of a minimum of five and one-half hours, not including the lunch period. Time that students are released for parent/teacher conferences shall count as student instructional time.

When school has been in session for twenty seven and one-half hours of instructional time for any five consecutive school days, remaining instructional time during the five-day period may be used for staff development purposes.

When the school is forced to close due to weather or other emergencies, that part of the day during which school was in session will constitute a school day.

It shall be the responsibility of the superintendent to inform the Board annually of the length of the school day.
