

## **EDUCATIONAL PROGRAM - Series 600**

### **602 Programs of Instruction**

#### **602.12 Foreign Study**

The Board of Education recognizes that study programs outside the country are sometimes desirable and justifiable.

Plans for such study programs must be approved in advance by the Board of Education. Separate approval shall be gained for each trip, except for continuing programs that have received a favorable evaluation according to administrative guidelines, and that will be carried out in the same way by the same personnel

Proper insurance and liability protection must be guaranteed for the protection and safety of participants. The school system can in no way be placed in a position of personal liability.

Monetary issues and concerns need to be cleared with the superintendent. Bookkeeping shall be available for public view.
