

EDUCATIONAL PROGRAM - SERIES 600

603 Instructional Arrangements

603.12 Technology and Instructional Materials

The Board supports the use of innovative methods and the use of technology in the delivery of the education program. The Board encourages school district personnel to investigate economical ways to utilize multimedia, computers and other technologies as a part of the curriculum.

It shall be the responsibility of the superintendent to develop a plan for the use of technology in the curriculum and to evaluate it annually. The superintendent shall report the results of their evaluation and make a recommendation to the Board regarding the use of technology in the curriculum.
