

EDUCATIONAL PROGRAM - SERIES 600

603 Instructional Arrangements

603.13 School Library

The school district shall maintain a school library in each building for use by school district personnel and by students during the school day.

Materials for the centers will be acquired according to Board policy, "Instructional Materials Selection."

It shall be the responsibility of the principal of the building in which the school library is located to oversee the use of materials in the school library.

It is the responsibility of the superintendent to develop procedures for the selection and replacement of both library and instructional materials, for the acceptance of gifts, for the weeding of the library and instructional materials, and for the handling of challenges to either library or classroom materials.
