

EDUCATIONAL PROGRAM - Series 600

603 Instructional Arrangements

603.3 Homework

It shall be the policy of the school district to encourage "homework": those extra-class activities and assignments which may properly be considered as extensions and enrichment of the regular classroom instructional program. The purposes of carefully assigned homework should be: meaningful practice, research and exploratory activities; sharing and discussing ideas; reviewing and summarizing materials studied; becoming acquainted with the libraries and other sources of reference material; organizing students' thoughts and thinking processes in preparation for classroom activities; and making up incomplete course or subject assignments.
