

AUXILIARY SERVICES - Series 700

702 Transportation

702.6 Transportation Insurance Program

The Board of Education shall carry insurance on all school owned vehicles that transport students. All contractors hired by the Board to transport pupils shall be properly insured.

The following types of insurance shall be carried:

1. Liability — (Personal Injury and Property Damage)
2. Property Damage and Collision
3. Medical Care
4. Fire, theft, wind, storm and comprehensive on each bus

Liability and medical care insurance should be purchased for the school term only, except for school owned vehicles which are to be used for approved activities during the summer months. Coverage should be reviewed annually.

Adoption Date: January 24, 1983

Review Date: August 18, 2009

Revision Date: May 14, 2001
