Destination: All Students are Career and College Ready

W.B.C.S.D. TEACHING and LEARNING PLAYBOOK (Strategic Intent)

*As developed and monitored through the ongoing efforts of the District's School Improvement Advisory Committees (S.I.A.C.), the West Branch Board of Education, community, staff, parents, students and administrators.

Goal #1: Enhance and Promote Effective Teaching and Learning Practices: Implement evidence-based and student-centered teaching and learning practices designed to improve the academic performance and success of all students. I. Leveraging Instructional Leadership:

- 1. Focus on high impact teaching strategies:
 - a. agreed upon non-negotiable components in effective lesson design and delivery
 - b. use of data to inform teaching and collaborative teaming focused on improving student outcomes
 - c. effective use of technologies to support deeper student learning and research-skills
 - d. personalized, interest-based teaching and learning strategies and opportunities
 - e. effective school leadership teams with common formats and monitoring
- 2. All teachers receive routine, one-on-one collaborative conversations with building principals
- 3. All teachers receive routine instructional support from the district's instructional coaches
- 4. Differentiated professional development for all staff
- 5. PK-12 common grading and feedback processes for students and parent
- 6. Promotion of post-secondary, workforce learning and training opportunities

Goal #2: Invest in Human Capital and Leadership

- 1. Implementation of common hiring protocols
- 2. Implementation of differentiated staff professional development and training
- 3. Scaling leadership across the organization
- 4. Providing competitive salaries and benefits that attracts and retain teaching and leadership talent

Goal #3: (A) Enhance and Maintain Facilities (B) Develop and Implement Short and Long-Term Facilities Improvements Plans

- 1. Development and Implement of a "15-Year Master Facility Improvement Plan" as a guide for Board, administrative and community decision-making
- 2. Prepare for and implement Board directed bond-referendum related facilities improvements
- 3. Effective use of Physical Plant and Educational Levy (PPEL) and School Infrastructure Levy Fund (SAVE) for ongoing facility improvements and maintenance.

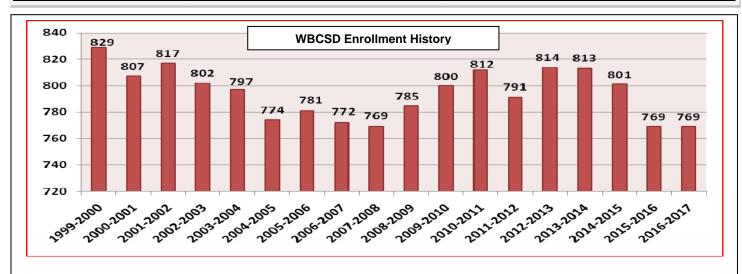

Goal #4: Meet District Financial Goals and Priorities (see trend data provide in this document)
Goal #5: Improve Social-Emotional Learning for Students and Organizational Culture for Staff

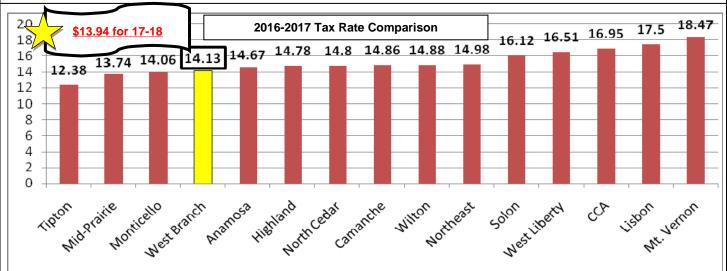

II. Leveraging Culture-Building Leadership:

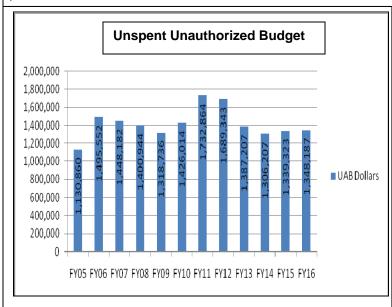

- 1. Practices that create bully-free, friendly, emotionally supportive learning environments
- 2. Fostering a positive, results-oriented work culture for all staff
- 3. Promotion of and support for mental and physical wellness for students and staff
- 4. Promotion of multi-activity, extra-curricular participation by all students

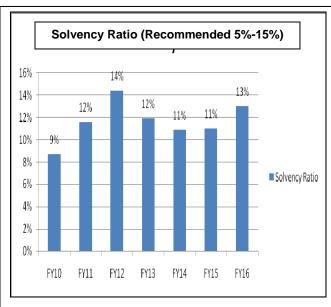

Goal #6: Expand Community, Business, Civic and Regional Education Partnerships

Student Achievement in the West Branch Community Schools

W.B.C.S.D. Core Values and Beliefs

- 1. We believe our students need global, project-based, technology enriched, personalized learning experiences.
- 2. We believe our students deserve effective, rigorous, facilitative teaching and leadership opportunities.
- 3. We believe our students and staff deserve safe, world-class learning facilities to enhance our chances of living out the District's Vision, Mission and Destination goals.
- 4. We believe in safe, healthy, non-threatening learning environments where all students and staff feel connected, cared for and supported. (Adopted, 2014, SIAC)
