Dear Parent, Guardian, Legal Custodian,

Standardized testing for those home schooled students who require such tests, either for baseline measures or for the annual assessment, can be taken at the local school district, at the area education agency, at a nonpublic school or testing service. The testing must be completed by May 1, 2018. If you select testing in the local district or in your home, begin by contacting the superintendent of your local district. **If you select testing at the area education agency, complete the enclosed reply form and mail it directly to me.**

The standardized tests will be administered at the area education agency in the mornings on April 7 and April 14, 2018. The tests will be administered at the Grant Wood Area Education Agency, 4401 6th St. S.W. (across from Hawkeye Downs) in Cedar Rapids, IA.

Students will be administered half of the required tests on the first date and the second half of the required tests on the second date. Therefore, students must be present on both dates to complete the required tests. Students must report no later than 8:30 a.m. on the dates indicated ready for the tests. Students should also bring something to quietly work on or read if they should finish a test before the allotted time has expired.

To ensure that adequate supplies of materials are available, the enclosed reply form must be completed and returned to me on or before February 2, 2018.

For further information, contact me at the Grant Wood Area Education Agency. Thank you for your attention to this matter.

Sincerely,

Erikka Vosmek  
School Improvement Consultant
