AG CLASSES

Recent guidance has indicated that “classroom sets” of materials would no longer be appropriate students this fall. With that in mind, the following items should be purchased for your Agricultural Education Student*:

Note: it will be VERY important for students to keep track of their own items, ensure that they have them with them for each class, and do not loan them to one another. It will also be very important for students to come to class each day with their computer charged, as there will be very limited access to charging stations.

*Financial assistance to purchase school supplies is available. Please contact the high school office for further information.
